

Phase 2 – Hilton Hotel

Works at this location include footway improvements with new pennant paving, upgraded pedestrian crossing points, and changes to bus infrastructure including green-roof bus shelters and revised bus stop layouts. New traffic signals will also be installed to manage movements through the junction. Pedestrian access and business entrances will be maintained throughout, with all works and equipment temporarily removed during major events in coordination with Cardiff Council.

Anticipated Duration: February 2026 – October 2026

Phase 14 – Glamorganshire Canal Bridge Subway to North Road Junction

Works include footway improvements with new pennant paving, upgraded pedestrian crossings, and revised bus stops alongside a dedicated cycle lane. A key focus is improving the interaction between the bus stops and cycle lane. New traffic signals will also be installed to manage vehicles, pedestrians, buses, and cyclists. Pedestrian access will be maintained at all times, with all works and equipment temporarily removed during major events in coordination with Cardiff Council.

Anticipated Duration: October 2026 – February 2027

Phase 3 – Friary Gardens

Works in this area include footway and carriageway improvements, with new tarmac surfacing, upgraded pedestrian crossing points, and revised bus infrastructure including green-roof bus shelters. New traffic signals will also be installed to manage vehicles, pedestrians, and buses. Equipment will be temporarily removed during major events in coordination with Cardiff Council.

Anticipated Duration: June 2026 – October 2026
